Xavier Release

1. I, the undersigned, whose name and signature appear on this form (and my parent or guardian if I am a minor), a registrant for a trip with Xavier High School, hereby acknowledge that I have my itinerary description, as well as those provisions contained in the Release below, and acknowledge that they form part of my agreement with Xavier.

2. I/my guardian voluntarily consent(s) to participate in this trip and in all activities provided and/or organized by my group leader (including the possibility of biking, horseback riding, water-based activities, etc.), and I hereby assume all risks of loss and injury that may be incurred, directly or indirectly as a result of my participation in all activities provided and/or organized by my group leader.

3. I understand that participation in the trip and associated activities involves risks not found in study at Xavier. These risks can range from a) minor injuries such as bruises and strains, to b) major injuries such as broken limbs, loss of sight, neck or back injuries, heart attacks and concussions, to c) catastrophic injuries, including paralysis and death, and also include risks of damage to or theft of personal property, and risks involving traveling to and within, and returning from, activity sites and other foreign countries; foreign political, legal, social and economic conditions; different standards of design, safety and maintenance of buildings, public places and conveyances; local medical and weather conditions; and other matters described in the U.S. Department of State Country Specific Information (and Travel Warnings and/or Travel Alerts, if any) and in the Centers for Disease Control and Prevention Travel Notices that I have accessed at <http://travel.state.gov> and at <https://wwwnc.cdc.gov/travel/notices> and reviewed carefully. I understand that there may be other risks not known or reasonably foreseeable. I have sought and obtained information and advice that I feel are necessary and appropriate. I/my guardian also authorize(s) Xavier to arrange for professional care and treatment for myself in case of a medical emergency. I/my guardian agree(s) that if I become ill or incapacitated, Xavier may, without incurring any liability, take such actions as it considers necessary under the circumstances, including securing medical treatment for me and transporting me to the United States all at my own expense. I agree to release Xavier from any liability for the quality and timeliness of any such medical care received or for any expenses incurred.

4. I understand the written behavior guidelines in the Xavier Student Handbook and I understand these guidelines extend to my behavior while traveling. I understand that Xavier cannot accept responsibility for travelers not following these rules and regulations, and that I

may be sent home at my own expense without benefit of any refund if I do not adhere to Xavier's behavior guidelines and standards and the instructions of my group leader. I understand that if I am expelled from school or otherwise disciplined by school or civic authorities, I may be declared ineligible for the trip and my participation canceled, subject to the refund policies stated below.

5. I will indemnify Xavier, its affiliates, agents, directors, employees, and my group leader, school, school officials and hold them harmless for any financial liability or obligation which I personally incur, or injury or damage to the person or property of others which I cause or contribute to, while participating in this program.

6. I understand it is my/my guardians' responsibility to meet the group leader accompanying me on a trip with Xavier and satisfy myself/themselves as to the appropriateness of the group leader to meet my needs and I/my guardian will inform the group leader of any special requirements for me.

7. I understand that the air carriers' liability for loss or damage to baggage, or for death or injury to person or property, is limited by their tariffs and/or the Warsaw Convention and related agreements. Further, I understand that the air carriers assume no responsibility during such time that I am not on board their aircraft.

8. I understand that I am responsible for exercising caution and common sense at all times to avoid injuries.

9. I hereby waive and release Xavier, its affiliates, agents, directors, officers, and employees and my group leader, host school agents and school officials including any person or entity employed or utilized by Xavier or host schools in any foreign country, from any and all liabilities arising out of any loss, damage or injury to self or property while on the trip, whether arising from the negligence of Xavier or others, including without limitation, acts of God, war, terrorism, strikes, incidents of politically motivated violence, sickness or quarantine, global pandemic restrictions, government restrictions or regulations, and, in the absence of its own gross negligence, arising from the use of any vehicle or from Xavier's selection of, or from any act or omission by, any host family, bus or car rental agency, steamship, airline, railroad, taxi or tour service, hotel service, hotel, restaurant, or school.

10. I understand and agree that Xavier is not in any way responsible for my wellbeing with respect to any travel to destinations beyond those specifically required for the Activity that I may choose to undertake before, during, or after the Activity.

11. I understand that each country has its own laws and standards of acceptable conduct, including dress, manners, morals, politics, drug use and behavior. I recognize that behavior that violates those laws or standards could harm Xavier's relations with those countries and the institutions therein, as well as my own health and safety. I will become informed of, and will

abide by, all such laws and standards for each country to or through which I will travel during the Activity and assume responsibility for my actions, understanding that the circumstances of an Activity may require a standard of behavior that may differ from that applicable on campus.

12. I understand that obtaining a passport is my responsibility. If I am not a U.S. citizen, I understand it is my sole responsibility to obtain, in advance, any visas and other documents which may be required to enter or connect through all the countries on my itinerary and to re-enter the United States. If I have a passport from a country other than the United States, I must contact the local consular offices of the countries I will be visiting to obtain the necessary visas. Such visas are not obtainable on the spot overseas. Whether I am a U.S. citizen or not, Xavier will be held harmless in the event I am unable to obtain the necessary documents for participation in the program. I understand that inability to obtain these visas and other documents does not constitute grounds for withdrawal with full refund; the standard refund policy will apply.
